2020 Fall Striped Bass Tournament Tournament Outline, Rules and Awards

The COVID-19 Pandemic remains a legitimate consideration in conducting our daily lives. Recent spiking in new COVID-19 cases, particularly in Monmouth and Ocean Counties, is a stark reminder of our need to remain steadfast in protecting ourselves from the COVID-19 virus. Foremost in protecting ourselves and others from the COVID-19 virus is our compliance with New Jersey's COVID-19 restrictions and New Jersey's COVID-19 Fishing Guidelines (see below). As the COVID-19 Pandemic is a dynamic situation with associated restrictions undergoing frequent changes, MRMTC members are advised to monitor NJ's COVID-19 Website ([covid19.nj.gov/](https://www.covid19.nj.gov/)) for any changes in the fishing guidelines and make adjustments accordingly.

COVID-19 Statement

The safety, health and well-being of our officers, trustees, members, families, friends, guests, and the general public will always be our primary goal. To reduce the risk of COVID-19 exposures at Manasquan River Marlin and Tuna Club (MRMTC) member events, tournaments and gatherings (functions), we have developed a MRMTC COVID-19 Health & Safety Plan. That plan is available for viewing at: [mrmtc.com/covid19/](https://www.mrmtc.com/covid19/)

COVID-19 Fishing Guidelines (Updated May 27, 2020)

Consistent with Governor Murphy's latest Executive Orders regarding social distancing in order to limit the spread of Coronavirus (COVID-19), "non-family/household member" fishing is permitted in groups of fewer than 25 persons provided six-foot social distancing is maintained and the recommended infection control procedures (face coverings, hand washing) are followed.

Anglers MUST NOT congregate in parking areas, boat ramps or at popular fishing locations. Conservation Police Officers, New Jersey State Park Police, and DEP staff are actively monitoring our parks and natural areas to ensure that individuals enjoying our natural resources are maintaining social distance. **Any groups encountered will be instructed to disperse to maintain social distance, and if they do not comply, tickets will be issued by law enforcement.**
