3. Tournament entry is on a per boat basis. A member may fish on a member or non-member boat. In lieu of fishing on a boat, a member may fish from the shores of Monmouth and Ocean Counties.
4. Each entry may fish only one day. However, a boat may fish multiple days if the member's fishing "partner" is also a club member and has declared a fishing day. The "partner" must be on board on the fishing day of their entry for any catches on that day to be eligible for award consideration.
5. Entrants must declare their fishing day by **11:59 PM** on the evening before their declared day of fishing. To declare a fishing day, a representative from the boat must call (732) 612-8052 and leave a message with the following information: Entrants name, boat name, fishing day, and day and time of call. Boats may also declare a fishing day via the MRMTC App available in the App store or Google Play Marketplace, same time constraint applies.
6. Boats must not depart Manasquan Inlet before 12:00 AM on their declared day of fishing and must return through Manasquan Inlet on the same day. Similarly, members fishing from shore must not commence fishing before 12:00 AM on their declared day of fishing.
7. Fish being entered for award consideration must have the fish weighed on the official digital scale at Brielle Yacht Club Fuel dock.
